D. Placement on the Salary Schedule

E. Overtime

Overtime pay of one and one-half (1.5) times the regular rate shall be paid on actual time worked beyond the forty (40) hour work week in any one work week. A holiday shall be deemed as a day worked for the purposes of overtime calculation.

The number of hours worked beyond forty (40) hours, may be used as compensatory time, and shall be taken, whenever possible, during the two (2) week pay period in which it was earned. When not possible, based on the unique job responsibilities and work schedule, compensatory time may be applied to attend appointments or personal matters in which a flexible schedule is necessary during regularly scheduled work hours, or used on an employee's non-scheduled work days. Overtime and comp time must be authorized by each employee's immediate supervisor prior to the employee working.

F. Training Wage

The State requires staff to acquire sixteen (16) hours of training specific to their position on

an annual basis to maintain site and staff licensing. The district will offer sixteen (16) hours of training annually to staff. The training rate will be paid at the employee's regular payrate (exclusive of the AM premium for each employee). Staff members will be compensated at the training rate for the required sixteen (16) hours.

ARTICLE II: SENIORITY, LAYOFF AND RECALL

A. Seniority

1. Seniority for longevity purposes is defined as the length of continuous service with the Forest Hills Public Schools. Seniority, for layoff purposes, is defined as the length of continuous service of an employee within the job classifications covered by the Child Care and Preschool Staff handbook, commencing with the first day of employment after the last date of hire. When an employee holds multiple assignments in Child Care at different grades and/or steps, seniority will be based on the assignment with the most hours.
2. Seniority automatically terminates if an employee resigns, is discharged or fails to report to a position in the District upon the termination of a leave of absence.
3. Time away from the job on an approved leave of absence, including unpaid time or time an employee is on Workers' Compensation, will not be applied to the employee's seniority, but the employee will not lose seniority accrued up to the date of leave, except as noted above.
4. Seniority will be credited based on the total number of hours worked, not including overtime or subbing, and pro-rated by tenth of one year, following the same breakdown in hours used by MSPERS to calculate retirement credit.

1,020 hours or more	1.0 year
918-1,019	.9 year
816-917	.8 year
714-815	.7 year
612-713	.6 year
510-611	.5 year
408-509	.4 year
306-407	.3 year
204-305	.2 year
203 or less	.1 year

5. It is understood that when an individual move from one job classification to another, they retain their total seniority with the district to determine vacation and longevity pay.

B. Layoff

When a reduction of staff is necessary, as determined at the sole discretion of the Board of Education, layoff shall be determined in the following manner.

1. Probationary employees shall be laid off first when an employee who has acquired any seniority and whose position has been eliminated, is qualified to perform the services of the probationary employee within the same job classification.
2. In the event that the position of a seniority employee is eliminated, he/she shall have the opportunity to replace the least senior employee in the same grade classification or in a lower grade classification of employment provided he/she is deemed to have the qualifications, proficiency and efficiency of job performance, required special job skills and knowledge necessary to successfully handle the assignment.
3. When a more senior employee moves to a lower grade classification, pay will be adjusted accordingly to accurately reflect the pay level for that classification. The employee would retain step placement within the lower classification to reflect appropriate seniority based on the most recent date of hire in a position covered by the Child Care and Preschool handbook.

C. Recall

1. The employee will be given written notice of layoff at his/her most recent known address by certified letter. If the employee fails to respond within ten (10) days, he/she shall be considered to have voluntarily resigned.
2. Recall shall be in the inverse order based on the same criteria used by layoff as determined by the Board.
 - a. A recall list shall be maintained by the Board for a period not to exceed two (2) years. Thereafter, an employee shall lose his/her right to recall.
 - b. An employee offered a comparable position to the one previously held, who declines recall to work, is considered a voluntary resignation.

ARTICLE III: EMPLOYEE WORK SCHEDULE

A. Hours of Work

1. Employees who work more than four (4) consecutive hours per day will be given an unpaid half-hour (.5) lunch period per day.

B. Scheduled Work Calendar

1. It is understood that there will be no extension of currently assigned work weeks without mutual consent of the employee involved, unless there is a significant change in the current calendar.

Child Care staff are also required to work Kindergarten round-up, school open house and breaks upon request. To provide equitable instruction time for both a.m. and p.m. sessions, a schedule will be prepared at the beginning of each school year alternating student attendance for the a.m. and p.m. Child Care staff/subs will be given first opportunity to work if additional staff is necessary. Disciplinary action may be taken for employees refusing to work, when scheduled by the Child Care Office, on non-student instructional days and breaks.

Preschool instructors and aides will not be required to work on non-school days. Employees will be paid at their hourly rate for other times during the school year when attendance is requested.

D. School Closings

On days that schools are closed for unscheduled reasons, Preschool aides are not expected to work. Child Care Directors and Child Care aides may be required to report to work.
